

**Laura Jones, MSW, QMHP-C**  
Counselor

I received my BSW from Radford University and my MSW from George Mason University. I plan to pursue licensure, under supervision to become a Licensed Clinical Social Worker. I utilize a client centered, strength based, and trauma-informed approach with experience in trauma focused-cognitive behavioral therapy to enhance the well-being and quality of life for my clients. My past professional experience in the field, includes case management at an inpatient level, working in a school setting with children who have experienced trauma and grief, mental health skill building, and parent coaching. In my free time, I enjoy being outdoors, listening to music, and spending quality time with my family, friends, and my two dogs.
