

Miranda Sharp, MSW

Miranda is a social worker who studied at Florida State University for her Bachelor of Social Work degree (go Noles) before earning her Master's in social work at the University of South Florida. Passionate about mental health awareness and treatment, Miranda is working toward her clinical license (LCSW). She has experience with mental health counseling for individuals and groups both in private practice and larger agencies, like the VA Hospital. She is well-versed in crisis intervention and dialectical behavior therapy and utilizes a strengths-based perspective. With a person-centered approach, she works together with her clients toward the goal of higher functioning and greater wellbeing.
