

Scott Ellis, M.Ed., QMHP Counselor

Hi! My name is Scott and I have lived in the Richmond area all of my life. I earned my B.S. and M.Ed. degrees through Liberty University and just recently earned the NCC designation (National Certified Counselor).

My counseling approach is a collaborative, client-centered combination of techniques designed to help clients envision a hope-focused future for themselves while learning how they can improve their decision-making skills to get there.

In my free time, I love spending time with my family, cooking, traveling, and writing and recording music.
