

Courtney Scott Council, B.S., QMHP-A/C

Hello! I earned my Bachelor of Science degree in Family and Community Services from East Carolina University in Greenville, NC (GO PIRATES!!). I am currently finishing earning my Masters of Social Work degree from Capella University. I have experience in crisis counseling, suicide intervention, residential psychiatric care for adolescence, intensive in home, facilitating special groups, working with clients with co-occurring disorders, and school social work. I currently volunteer with the Boys and Girls Club and with Girl Scouts. One of my favorite quotes is "If you reach for the moon and miss, you will land among the stars". I look forward to working with families to improve their quality of life, self-sufficiency, and identifying their strengths. I enjoy listening to music and traveling.
