

Katelyn Sisson, MSW, Supervisee in Social Work

I grew up in Northern Virginia and moved to the Richmond area in 2021. I have a Bachelor's degree in Social Work from Longwood University and a Master's degree in Social Work from George Mason University. I have experience working with children, adolescents, and adults with Serious Mental Illness and mood disorders. I have worked with individuals in their homes, residential programs, and school settings. I recognize that individuals know themselves best and aim to provide a supportive environment through a person centered and strengths-based approach. In my free time I enjoy reading, video games, embroidery, traveling, and spending time with friends and family.
